

## St George's Junior School – Key Stage 2 Results 2016

At the end of Year 6 (KS2) children take statutory tests set by the government (SATs), the results of which are below. The results below show the percentage of the 2016 cohort who achieved the expected standard or higher in Reading, Writing, Maths and Grammar, Punctuation and Spelling (GPS).

End of Key Stage 2 assessments	School Data				National Data			
	Reading	Writing	Maths	GPS	Reading	Writing	Maths	GPS
Percentage of pupils attaining the expected standard or better	77	64	75	85	66	74	70	72

Reading, Maths and GPS outcomes are based on the outcomes of external tests only and do not reflect teacher assessment.

Writing outcomes are a rounded picture based on teacher assessment over time and were moderated by the local authority.

Percentage of pupils achieving the expected standard in reading, writing and maths (Combined)	School Data	National Data
	61	53
