What does the Sport Premium mean for my School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

At St George's Junior School we have split up the funding by the three key areas for consideration;

- Physical Education- Raising Standards of all children in Physical Education
- Competitive School Sport- Increasing pupils' participation in extra-curricular sport
- Healthy Active Lifestyles- Ensuring all our children have access to regular exercise
